500 XLE

The perfect reclining treatment chair for rotation systems in outpatient operating rooms.

Order No. 15000004

ADVANTAGES

- Optimized price-performance ratio
- Ample legroom and unobstructed access to the patient’s head
- Space-saving design for flexible use, outstanding maneuverability even in the most confined of spaces
- Multi-functional manual switch with 4 memory positions and auto-run function
- Automatic switch-off in the stand-by mode with reactivation button
- Sterile working conditions without interruption thanks to adjustment functions provided by the foot switches
- Not location-bound thanks to battery operation
- With equipotential bonding connection

- Easy maneuverability thanks to mechanic guidance operated via foot switch
- 360-degree rotating, electrically conductive double casters for outstanding movement characteristics
- Stool & table combination – no need for shifting or relocating the patients
- Service-friendly access for easy cleaning and maintenance
- Acoustic signal to warn against exhaustive battery discharge

- Easy mounting and dismounting, low access height
- Comfortable armrests for high patient safety, removable
- Comfortable upholstery in anthracite 197 standard shade
Power supply-independent battery box with integrated emergency shut-down switch.

Removable foot switch for infinite electronic height and head adjustment including reactivation button from the stand-by mode.

Standard sculptured headrest for high-precision patient positioning, adjustable via manual switches or foot switches.

Brake lever acting on 4 wheels.

Perfection for plastic surgery – move your patients into the perfect operating position at the touch of a button.

EQUIPMENT

360-degree rotating double casters with full lock and “Steering Guide” function.

Multi-functional manual switch with positions memory and auto-run function.

Folding-down armrests serving as simple entry and exit aid.

Ample legroom for the surgeon – for optimized access to the patient.
The reclining treatment chair designed for a particularly high level of comfort. Our tried and tested design comes in a whole new look.
